

**HERE ARE YOUR  
CHOICES**

# STORYBOARD/ CARTOON BUILDING

Do you like to make up your own stories/adventures?

Do you enjoy using technology and learning about different ways to use it?

Well, this may be the option for you!

Here you will learn about different occupations that use digital technology (i.e. movie writers, architects, and graphic designers). You will learn how to write a cartoon using a storyboard and turning it into a digital cartoon!

With Miss Boone

# LEADERSHIP

**Come join leadership!!**

In leadership you will plan fun and exciting activities for our school (theme days, games, concessions for dances, etc.)

We may also go out into the community to show our leadership skills (seniors home, other schools).

Learn how to be a stand up leader in our school!

Miss. Wiggins

# **DIGITAL PHOTOGRAPHY**

**Do you like to take photos and capture  
interesting images?  
Then this is the option for you!**

Using ipads, you will be taking photos in certain ways to create unique compositions that will amaze everyone.

Photos will be displayed at the school so others can see the fantastic work and fun that happens in this option.

Mrs. Johnson

# DRAMA

Have you ever wondered what it all took to put on a show?  
Have you always enjoyed the spot light and sharing your  
performing talents?

Then this Drama option is for you.

Over 5 weeks we will learn and create theatre together.  
Where students have the chance to act, storytell, write and  
create a performance together! We also will play games and  
learn about Drama Jobs along the way! If you are looking  
to build confidence, write funny stories and act out  
characters then consider signing up for Drama.

Miss. Hammer

# WOOD WORKING

Students will complete hands-on projects involving a variety of tools to create wood products and explore the multiple career opportunities involving art, construction and woodworking.

Mr. Deckert

# **PENCIL PORTRAIT DRAWING**

Students will learn to use a variety of drawing pencils and blending stumps to create realistic portraits using proportions, blending and shadowing (highlights and lowlights).

Mr. Massey

# **cosMETOLOGY**

What is Cosmetology?

Cosmetology is **the art and science beautifying the hair, nails, and skin.**

Come see what being a cosmetologist does by trying some procedures on your skin and nails. Try making a homemade lip balm and hand scrub.

# SIMPLY SKATING

WITH SHOLDICE & HOTROCKS

Watch this!

- ★ Are you looking to improve your skating skills?
- ★ Would you like to learn about how the skill of skating can lead to improved health and wellness?
- ★ Are you interested in career opportunities to include skating or hockey?

This option is aimed at improving your skating skills like balance, control, forward skating, backward skating and turning, while broadening your understanding of how you might use this skill in future employment!

HERE'S WHAT YOU'LL NEED: SKATES, A HELMET AND A WILLINGNESS TO GROW YOUR SKILLS!

**\*\*\*You will be dismissed from the multiplex on Mondays, where you can catch your bus at the loop, walk home or have someone pick you up!**

# BREAD BINGE

Do you want to learn how to be a bread baker?

Join Mrs. Tindall in this option to learn a new bread recipe each week that are easy enough for you to go home and impress your family with after.

And of course... the best part is getting to eat what you make.

Mrs. Tindall

# **CODING**

Want to learn how to code?

Coding is the computer elements that are put together to make robots move or animations move across the screen.

Miss Lodewyk & Mrs.  
Meyer

# **NET WALL BALL**
